

## American Mosaic Suite

An online collection featuring reference content, hundreds of primary documents, and thousands of images. The Analyze sections pose historic dilemmas that invite learners to examine issues from all angles to help develop critical thinking skills, while easy-to-use search and browse features facilitate research at every level. American Mosaic titles can be searched together or separately but not with other vendor databases. 10 minute video is available at <http://www.library.arkansas.gov/libraryDivisions/Traveler/Pages/PromotionTraining.aspx>

- 24 General and Special Subject Database from preK-12 grades and for life long learner
- 3 Federated Search Collections (search multiple databases in one search)
